Emerson and Sanjana

Emerson and Sanjana

- Health disparity: Poor housing can lead to stress
- Some confounders are:
 - Age
 - Gender
 - Socioeconomic status
 - Neighborhood Security
 - Increasing Price of Homes
 - Type of Job
 - Addiction to drugs

Emerson and Sanjana

- Health disparity: Obesity is caused due to grocery stores being a further walk than fast food centers
- Some confounders are:
 - Age
 - Gender
 - Distance to grocery store
 - Socioeconomic Status
 - Stress
 - Physical Activity
 - Health history
